

CNS will be performing maintenance on the Telephone Switch

Wednesday, August 15, 2018 at 2:00 a.m.

This maintenance will cause a brief interruption of service lasting 15 to 30 minutes for all CNS Residential and Commercial Telephony customers. Commercial customers will still be able to call internal to PBX/internal phone systems but will not be able to call in or out.

For more information, please contact your Customer Service Department.
